

TOEFL SPEAKING SAMPLE QUESTIONS

1. More educators these days are using technology in the classroom. In fact, many teachers now record their lectures, upload them on a website, and ask students to watch them before their lesson. During class, students report on the lectures and discuss them together. Would you prefer to have a traditional style class or one where the lectures are pre-recorded?
2. Many people think that students learn course materials more effectively by taking exams, while others think that students learn more effectively by doing other activities, like completing projects. Which one do you think is more effective?
3. Do you think scientists should be given the freedom to test and experiment however they please, or should they be limited in what they can study?
4. Do you agree or disagree with the following statement? People must love their jobs to be happy.
5. Some people believe that robots will someday completely replace human beings at work while others disagree. What do you think? Give reasons and examples to support your stance.
6. Imagine that you have just begun studying at a new university. Which of the following do you think would be the best way for you to learn about the new campus?
 - a) a second-year student gives you a personal tour of the whole campus
 - b) you are given a detailed map of the campus designed by the student services department
 - c) you join a group tour of the campus together with all the other new students
7. If you were assigned a project to complete in school, how would you prefer to work?
 - a) alone
 - b) with classmates
 - c) with a tutor
8. Do you agree or disagree with the following statement? Technology has harmed relationships between friends and family.
9. Do you agree or disagree with the following statement? Working for a large company is better than working for a small company.
10. Would you prefer to work at one job your entire life or to switch jobs every five years?
